

Sudell Primary School

Sports Premium for 2017-18

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles. (Gov.uk)

How are we using this funding to benefit the children of Sudell?

We aim to use the funding in a number of ways.

Spending has been focussed on providing children with good quality resources across key stages and providing children with a range of experiences e.g. Judo, Archery.

PE Leadership

- Professional development of opportunities for class teachers
- PE co-ordinator to monitor and improve the standards of Physical education in school

Staff CPD

- External agencies organised by PE Lead for Professional Development opportunities.

Pupil Involvement

- Running in-school activities
- Subsidising places for pupils in after-school clubs e.g. cheerleading, archery, basketball, dance etc.
- Subsidising external agencies in school e.g. Judo
- Whole school event to raise the profile of physical education e.g. Sports Day
- Facilitating interschool competition e.g. Football, Swimming, Athletics
- School Games Day

Impact

- Continued opportunities to take part in competitive sport including football and netball friendly matches, athletics; competitive events through DPSSAA
- Our boys' football team came 4th in the BRIC tournament competing against all other Darwen and Blackburn schools (approximately 15 schools)
- Our boys' football team took part in a friendly football tournament at DACA and were placed 2nd.
- Our girls' netball team took part in games at the BRIC.
- All KS2 pupils receive up to an hour of additional sport per day (at lunchtime – organised games), led by a teaching assistant
- Increase in the number of clubs/ extra-curricular activities offered to children from all classes (mainly for KS2 pupils) (i.e. netball, football, rounders, games, multi-skills)
- Improved attitude towards sporting activities, especially from children who have previously been less active
- Increased teacher knowledge – teachers are now able to teach PE confidently and to a good standard.
- Increased confidence of welfare staff/teaching assistants to lead sporting activities at lunchtime, encouraging less active children to become involved in exercise.

Objectives for 2018 – 2019

- Increase the range of sporting activities available to pupils through extra-curricular activities (led by qualified coaches).
- Increase the number of extra-curricular activities for KS1.
- Increase the attendance of pupils at clubs, by ensuring that more clubs take place at lunchtime.
- Achieve greater success in external sporting events, building on the success of the boys' football team. Particularly focus on girls' sport.
- Encourage the pupils to take part in more sporting activities out of school.
- Increase the amount of exercise for each pupil (increase of time spent on increasing the heart rate each day).
- Increase and improve the quality of sporting activities at lunchtime.
- Ensure that staff and pupils are all dressed appropriately for sporting activities.
- Improve the amount and quality of resources so that high quality sporting activities can be delivered by all staff.
